

REMARKS

Claims 1-26 and 36-47 are pending. Applicant has amended independent claims 1 and 36 above to recite planar structures in the body of these claims. For at least the reasons outlined in the Remarks section of the response filed December 10, 2008, which is incorporated by reference herein, applicant respectfully, but strongly submits that each of these claims and the claims depending therefrom are in condition for immediate allowance.

The remaining independent claim, claim 46, was distinguished in the December 10, 2008 response and has not been amended above. The examiner discussed matters regarding the other claims, in the Advisory Action, but did not appear to discuss or consider claim 46.

This amendment is timely filed with a request for a three-month extension of time and requisite fee and request for continued examination.

Dated: January 12, 2009

Respectfully submitted,

By
